

APPLICATION FORM FOR THE PROVITAL COCOON BUSINESS ACCELERATION PROGRAM

Using the questions below, you will provide the Provital Cocoon team with the opportunity to get to know your project and be able to assess its inclusion in the business acceleration program.

The main idea is for you to show us your project's general structure and key points. Therefore, we would be grateful if the answers to the questions could be articulated in a brief and concise manner (no more than 150 - 300 characters per question).

Let's go!

Identification data

- ✓ Corporate name of your company or project name
- ✓ Number of people who are part of the project's entrepreneurial team (maximum 4 people per request and project)
- ✓ Name, surnames, nationality and ID card number (or equivalent identification document) of the entrepreneurs or people involved in the project.
- ✓ Contact person for notification purposes
- ✓ Address for notification purposes
- ✓ Phone
- ✓ Email

Tell us about your project

- ✓ Briefly describe what the project is about.
- ✓ Have you created a company? Since when?
- ✓ Have you received funding for your project? What type of funding?
- ✓ How many partners are there in the company? What is the individual equity capital share of each partner?
- ✓ Have you participated in any business acceleration program for your project before? Tell us about your experience.

Technology

- ✓ Briefly describe the technology being used.
- ✓ Do you believe your technology is applicable to the cosmetics industry? What do you think you can contribute to the industry?
- ✓ Have you taken any action to protect the technology? What have you done?

Team and participation

- ✓ How many people work in the company? What are their qualifications and experience? What is the role of each one of them within the project?
- ✓ Are all members involved in the project exclusively devoted to it? If not, please briefly describe the other activities they are involved in.

Development and objectives

- ✓ What is the current level of development of your project?
- ✓ What are the company's current metrics? (sales or turnover forecast, margins, P&L, balance sheets and so on) and what are the forecasts for the coming years? (only if this information is available).
- ✓ What is the revenue generating path and the vision for business growth?

Uniqueness

- ✓ Why do you think we should choose your project versus other projects in the cosmetic field? What added value can you bring to the table?.

Why us?

- ✓ What do you think we can contribute to your project?
-

Show us more

- ✓ If you have a business plan, a video presentation of your project or a website you would like to show us, upload the corresponding file by clicking on the Upload window or, if applicable, enter the website URL.

Confidentiality and data protection

- ✓ Provital Cocoon undertakes not to disclose, under any circumstances, any information obtained using this form and, in particular, to maintain under strict confidentiality any information related to scientific, technical, financial, intellectual property and/or industrial property aspects, or any other type of aspects, which are related to the projects, its partners or its employees, and which are provided when completing the form herewith, unless this information is in the public domain or unless its disclosure is required by law.
- ✓ Provital Cocoon undertakes to comply with its obligations in accordance with the Spanish Organic Law on Personal Data Protection (hereafter, the “LOPD”) and the Development regulation of the Spanish Organic Law on Data Protection (hereafter, the “RLOPD”), in order to avoid the unauthorized modification, access or treatment of data provided using the form herewith.
